

# 2018 Gala Sponsorship Packet

*Creating Opportunities for Future Generations*

Friday, September 21, 2018  
Stanley Marketplace  
Aurora, Colorado

Dear Education Supporter,

The Aurora Public Schools Foundation exists to Make Possibility a Reality for every APS student. By sponsoring our 2018 Gala, you will be helping us make dreams come true for students like Nadya, a senior at Rangeview High School.

*Nadya will be the first in her family to go to college. She is the older of two children, born from Moroccan immigrants who moved to Aurora twenty years ago. Nadya has always been incredibly dedicated to her education after witnessing how hard her parents have worked to provide for their family.*

*After high school, Nadya wants to double major in Philosophy and Psychology at an Ivy League school, and eventually pursue a Ph.D in Philosophy. However, when you are the first in your family to attend college, navigating the college process is very difficult.*

*Thanks to generous supporters like you, the APS Foundation had launched a College and Career Center at Rangeview in 2016. In our Centers, Advisers guide students and their families through applying for financial aid and scholarships, completing college applications, preparing for college life, and understanding the dynamics of work-force opportunities like internships and vocational programs.*

*Our staff even helped Nadya visit several campuses, including Columbia and Yale Universities, which only ignited her dream of becoming a professor and author even more. Because of her hard work and the support she received, Nadya will be attending Harvard University in the fall of 2018 on a full ride scholarship. Her family is very proud, and her younger sibling is inspired to do the same.*

This year, we are raising funds to launch our fourth College and Career Center at Gateway High School to assist even more students! We invite you to join us in investing in these amazing efforts, and to participate as a sponsor of the 2018 Aurora Public Schools Foundation Gala on:

**Friday, September 21, 2018 at 6:30pm  
At the Stanley Marketplace in Aurora, CO**

This year's event will bring together more than 400 business, non-profit and elected leaders as we celebrate our schools, students and programs. Our event will include a three-course meal, remarks and performances by APS students, open bar, silent and live auction and exciting news about our programs. Enclosed please find a list of sponsor benefits and a pledge form to be filled out so we can begin to recognize your investment and generosity. Thank you for considering, and we look forward to seeing you at our 2018 Gala.

Sincerely,  
The APS Foundation Board of Directors
