Bob Caviness Scholarship

Robert “Bob” F. Caviness was a World War II Navy veteran. Thanks to the WWII G.I. Bill, Bob was the first member of the vast Caviness family to be able to attend and graduate from college. He had a passion for history, teaching, and coaching young people, so he became a teacher. Bob began his teaching career in Washington in 1949. He and his wife, Lois, moved to Colorado in 1955 where Bob began teaching at Aurora Central High School. Bob was one of the original teachers at William C. Hinkley High School when it opened in 1963. Bob’s teaching career was 43 years long. His athletic coaching career spanned over 60 years.

Bob Caviness started the Aurora Relays in 1957. The Relays became one of the first coed track meets in Colorado and is one of the oldest continuing meets in the state. He also started the Aurora Invitational Cross Country Meet-also the oldest cross country meet in the state of Colorado. He received numerous awards over the 60 years of his coaching career for his contributions to Colorado Cross Country and Track and Field. Bob was the 1985 Region 6 National Cross Country Coach of the Year, and he was inducted to the Colorado Coaching Hall of Fame in 1988. Over the years, he also has the privilege of coaching several Colorado State Cross Country champions, many Track and Field State Champions and top place finishers.

Teaching and coaching young people were his passions as he eagerly looked forward to each and every school day. Bob was also a strong supporter of all Aurora Public School students and staff during his tenure there, and he continued to actively cheer on and support APS students and athletes during his retirement.

Bob was very thankful for the G.I. Bill that enabled him to attend college and achieve his dream of becoming a teacher and coach. He actively encouraged his students and athletes to find an avenue; scholarships for academics, athletics, or even the military – for them to be able to attend college and find a career for which they were passionate.

The Diane MacLeod Crandall Theatre Arts Scholarship

This scholarship was established by the friends and family of Diane MacLeod Crandall. Diane is a graduate of Aurora Central High School's class of 1974 and was very involved in the school's theater and speech departments where she received numerous accolades. Somehow, somehow, her classmate Rick Crandall convinced her to go to Senior Prom for their first date, and eventually got her to say "I do". Diane gave up her dream to pursue theatre, and instead followed Rick to Guam after he enlisted in the Air Force.

Nora Jane Crocker Redding Scholarship

As you complete the application, there are a few things we want you to know.

Nora was a great thinker who loved books, classical music, and practical jokes. A lifelong learner, Nora could have taught anything, not because she knew everything, but because she understood and respected “how” people learn. She set high standards for herself and others and then applied knowledge, determination and wit to accomplish her goals. Able to laugh at herself, Nora brought joy, compassion and a sharp mind to her classroom and made then part of the learning. To Nora, teaching was not just a job, it was her life.

It is our intention to award a \$2,000 scholarship annually to a graduating senior who aspires to a career in the teaching profession. In the essay, applicants are encouraged to highlight instances which demonstrate their love of learning, their commitment to high standards in life and their dedication to children. Lore H. Wiggins Scholarship

This scholarship fund has been established in loving memory of Gateway High School French teacher, Lore Wiggins, PhD, by her daughters, siblings, nieces and nephews. Mrs. Wiggins was with Aurora Public Schools and taught beginning through advanced level French classes at Gateway High School for many years.

Madame Wiggins, as she was known to all her students, knew that speaking foreign languages and understanding other cultures could open doors to new adventures and furthering careers. Nothing thrilled her more than seeing her students grow up and find personal fulfillment in all walks of life, but especially so when they were able to build on the foreign language knowledge gained in high school. It is entirely in this spirit that her legacy be continued in the form of a scholarship for students wishing to pursue language studies in college. Mrs. Wiggins had a passion for foreign languages and she enjoyed sharing that each and every day with her students.

In honor of Mrs. Wiggins, six \$1,000 scholarships will be awarded to graduating seniors who aspire to continue their foreign language education at an accredited post-secondary institution. In the required essay, applicants are encouraged to highlight how they want to use their foreign language education and how these scholarship funds will help them achieve that goal.
